

How to order

Custom Tee's

ARTWORK:

- **Preferred** art format "PNG" with transparent background; however, other formats (jpg, tiff, eps, pdf, etc.) will work but may require artwork fee.
- Best resolution greater than 720dpi up to 1400dpi, the higher the better. Send your best file and we will let you know.
- Full color, photo, design- NO SCREEN CHARGES
- Art fee may apply if file(s) requires converting for our process, background removal, modifications or adding text titles.
- We specifically use "ring spun—combed cotton" garments for best printing results. Click on link to see the garment, sizes and colors.
